Nishimachi International School Outreach Scholarship Program

The **Nishimachi International School Outreach Scholarship Program** is dedicated to awarding partial or full scholarships to select students from a variety of socioeconomic, racial, cultural, and geographic backgrounds. These scholarships were created to augment diversity on Nishimachi's campus and provide children, who might otherwise find the opportunity unattainable, with a superb and unique education.

Candidates must fulfill the school's admissions requirements (including grade level English proficiency) and must be able to provide proof of financial need. The scholarship is good for one academic year, with renewal options, pending satisfactory progress, through to graduation.

If interested, please contact Mariko Laabs, Director of Admissions, by phone <03-3451-5538> or by e-mail <admissions@nishimachi.ac.jp>.

Nishimachi International School Outreach Scholarship Program Guidelines

1. The Outreach Program is dedicated to awarding partial or full scholarships to select students from a variety of socioeconomic, racial, cultural, and geographic backgrounds. These scholarships were created to **augment diversity** on Nishimachi's campus and provide children, who might otherwise find the opportunity unattainable, with a superb and unique education.
2. These scholarships shall be awarded to students for one academic year, with renewal options through to graduation.
3. The announcement and application forms are available annually in March.
4. Following a review of applications received, the Headmaster, upon the recommendation of the Scholarship Committee, shall select the students to be the recipients of the scholarships.
5. In selecting the recipients, the Scholarship Committee shall apply the following criteria:
 - Country of origin and cultural background
 - Individual (financial) needs of the family
 - Fulfillment of the school's admissions requirements
 - Applicant's grade level
 - Academic achievement and special talents or skills of the applicant
 - Other factors that will support and enrich Nishimachi's educational environment
6. Upon leaving Nishimachi, scholarship recipients will be asked to submit a thorough written evaluation of their experience at Nishimachi.
7. Scholarship grants may be withdrawn under any of the following circumstances:
 - Extended illness
 - Extended absence from school
 - Academic or social behavior inappropriate to a scholarship recipient
 - Withdrawal from school
 - Other reasons deemed applicable by the Headmaster
8. The school will respect the confidentiality of the scholarship recipients' personal circumstances.
